

Dubai Explorer Pass

Thank you for choosing the
Dubai Explorer Pass!

This packet contains your admission pass(es)

Your pass is required for admission at each attraction. Please print it out, carry it with you and retain it after each visit.

NOTE: Please have passes for each member of your party ready to be scanned when you visit each attraction.

How to use your admission pass

Every pass has a unique code. A representative at the attraction will scan the code on each traveler's pass, granting you admission.

Be aware of admission policies

Please read attraction information for hours, closings, and special admission instructions. Attractions with the **R** symbol require reservations. Attractions displaying **T** require you to pick up tickets at a separate location.

Pass expiration

Visiting your first attraction activates your pass. Then, you have 30 calendar days to use your pass. You may only visit each attraction once. You have one year from the purchase date to begin using your pass.

Need help?

If you lose your pass, reprint it at any time from your order confirmation email, or by using Order Lookup at [smartdestinations.com](https://www.smartdestinations.com).
